

الزخارف الإسلامية ببرمجية سكراتش

The image shows a Scratch workspace with a decorative background featuring a central large circular pattern and four smaller ones in the corners. The text "kinar awartani" is visible at the bottom of the background. The script area on the right contains the following code blocks:

- When green flag clicked
- Clear
- Write text
- Set text to "0" in 0 sec
- Increment text by 3
- Decrement text by 1
- Write text
- Wait 24 sec
- Write 0
- Write 50
- Write 60
- Write 55
- Decrement text by 1
- Write text
- Wait 24 sec

The image displays the Scratch Desktop interface. The main stage shows a complex geometric drawing composed of overlapping circles and lines in various colors (blue, green, red, orange). Below the stage is a toolbar with a pencil icon and the text "Pencil". The bottom left corner shows a "Pencil" button and a "1" in a box. The right side of the interface features a script area with the following blocks:

- Start (Scratch logo)
- Clear all (مسح الكل)
- Pen down (أرفع القلم)
- Go to x: 0 y: 0 (أذهب إلى الموضع من: 0 من: 0)
- Set pen color to red (إجعل لون القلم مسوياً)
- Set pen size to 7 (إجعل حجم القلم مسوياً)
- Pen down (أرول القلم)
- Repeat 6 times (تكرر 6 مرة)
- Repeat 22 times (تكرر 22 مرة)
- Turn 10 degrees (تتحرك 10 خطوة)
- Turn 16.3636363636 degrees (استمر 16.3636363636 درجة)
- Turn 60 degrees (استمر 60 درجة)
- Set pen color to blue (إجعل لون القلم مسوياً)
- Set pen size to 5 (إجعل حجم القلم مسوياً)
- Pen down (أرول القلم)
- Repeat 6 times (تكرر 6 مرة)
